ABOUT ME

Hi, I am Fahim Faysal from Dhaka, Bangladesh. I am a professional UI-UX Designer & Front-End Web Developer. I have been working in Front-End Web Development for 2 years. I have done a lot of work locally and internationally. I am passionate to learn more and get my skill sets more polished and learn new technologies. I love programming as It's my passion.

WORK EXPERIENCE

2017/Sep – 2017/Dec

Front-End Web Developer

I started doing local work to better test myself and become more efficient. Then I worked successfully as a Front-End Developer for a lot of local clients.

2020/March –

Front-End Web Developer in Upwork

Among the best marketplaces in the world. Upwork is one of the best marketplaces. I am currently working on Upwork as a Front-End Web Developer.

EDUCATION

2020/Jan – 2021/Jan
UI/UX Design & FrontEnd Development

To further my skills, I learned UI/UX & Front-End Web Development from Designskillbd & softtech-IT, the best organizations in Bangladesh. This is the best platform to develop my skills.

2014
B.Sc – (AUST)(CSE)

2007
H.S.C – (DHAKA COLLEGE)

2005
S.S.C – (GOVT. LAB HIGH SCHOOL)
